on net income that is derived from business activities that are unrelated to their exempt purposes. The Corporation is not subject to unrelated business income tax and has not filed an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS.

The subsidiaries of GROW South Dakota are all single member limited liability companies, and, as such, each respective company's taxable income or loss is allocated to the Corporation. Therefore, no provision for income taxes has been included in the financial statements for those companies. Management believes that the Corporation has appropriate support for any tax positions taken affecting its annual filing requirements, and, as such, does not have any uncertain tax positions that are material to the consolidated financial statements. The Corporation would recognize future accrued interest and penalties related to unrecognized tax benefits and liabilities in income tax expense if such interest and penalties are incurred.
